

# WHAT YOU SHOULD KNOW ABOUT VISITING THE SALON

Your health & safety is our main priority as is ours. We will be working very closely to your face during our services. We feel that these precautions are necessary. We appreciate your understanding and cooperation.

## HAND WASHING

All clients are to sanitise hands at the station upon arrival to your appointment. We will personally be sanitising before and after every client as per usual.

## CLIENTS

All clients coming to an appointment agree to disclose their details for record keeping. To be in accordance of the STAGE 1 restriction lifting, addresses now need to be provided.

## APPOINTMENTS

All clients must arrive solo to their appointment. We are following strict social distancing rules so, children, partners, & friends are not able to accompany you. Please arrive on time, if you are early for your appointment please wait outside.

## MASKS

We will be wearing a disposable mask & gloves during every appointment. If you have a mask feel free to wear, otherwise we will supply you with one. Please dress warmly as all blankets are removed currently due to disinfecting practices. If you would like to bring your own blanket please do so.

## SANITISING

All surfaces touched by ourselves & clients will be wiped out hourly/ in between each client with hospital grade disinfectant. This includes door handles, bench tops, beauty beds, pens etc. All equipment used for services will be sterilized between clients as per usual.

## FEELING UNWELL

Any clients feeling unwell, **MUST** stay home. Especially if you have been in contact with anyone suffering from Covid-19 or are experiencing symptoms of it yourself . We cannot treat you at this time, so do please reschedule . ( at least 24 hours prior to your appointment )
